

Primary Care Training and Enhancement (PCTE) Program Evaluation Technical Assistance (TA) Webinar Series

Webinar #1 Title: The Importance of Using Mixed Methods Approaches to Examine Patient Outcomes in Graduate Medical Education

Date: Thursday, January 26, 2017 at 4:00pm EST – 5:00pm EST

Meeting Details:

• URL: https://hrsa.connectsolutions.com/epo/

Conference Number: 888-456-0343Participant passcode: 5936235

4:00 p.m. – 4:05 p.m. Webinar Introduction from HRSA Alyson L. F. Essex, PhD, MHS COR, Primary Care Training and Enhancement (PCTE) Program National Center for Health Workforce Analysis (NCHWA) Bureau of Health Workforce (BHW) Health Resources and Services Administration (HRSA) Welcome and Housekeeping Amanda Gmyrek, Ph.D. JBS International, Inc. (JBS) JSI/JBS Evaluation Technical Assistance Team A:10 p.m. – 4:20 p.m. Need and Opportunities for Outcomes Evaluation and Research in Graduate Medical Education Frederick Chen, M.D., M.P.H. Director, WWAMI Family Medicine Residency Network Chief of Family Medicine, Harborview Medical Center Professor, Department of Family Medicine University of Washington 4:20 p.m. – 4:50 p.m. Applied Approach for Mixed Methods Evaluation in PCTE Settings Roberta E. Goldman, Ph.D. Anthropologist Clinical Professor of Family Medicine Warren Alpert Medical School of Brown University Director, Scholarly Development Program in the Family Medicine Residency Memorial Hospital of Rhode Island, Care New England Brown University Center for Primary Care and Prevention Director, Community Participatory Research Adjunct Professor of Social and Behavioral Sciences Harvard T.H. Chan School of Public Health			
Alyson L. F. Essex, PhD, MHS COR, Primary Care Training and Enhancement (PCTE) Program National Center for Health Workforce Analysis (NCHWA) Bureau of Health Workforce (BHW) Health Resources and Services Administration (HRSA) 4:05 p.m. – 4:10 p.m. Welcome and Housekeeping Amanda Gmyrek, Ph.D. JBS International, Inc. (JBS) JSI/JBS Evaluation Technical Assistance Team 4:10 p.m. – 4:20 p.m. Need and Opportunities for Outcomes Evaluation and Research in Graduate Medical Education Frederick Chen, M.D., M.P.H. Director, WWAMI Family Medicine Residency Network Chief of Family Medicine, Harborview Medical Center Professor, Department of Family Medicine University of Washington 4:20 p.m. – 4:50 p.m. Roberta E. Goldman, Ph.D. Anthropologist Clinical Professor of Family Medicine Warren Alpert Medical School of Brown University Director, Scholarly Development Program in the Family Medicine Residency Memorial Hospital of Rhode Island, Care New England Brown University Center for Primary Care and Prevention Director, Community Participatory Research Adjunct Professor of Social and Behavioral Sciences Harvard T.H. Chan School of Public Health	Time (EST)	Topic	
COR, Primary Care Training and Enhancement (PCTE) Program National Center for Health Workforce Analysis (NCHWA) Bureau of Health Workforce (BHW) Health Resources and Services Administration (HRSA) 4:05 p.m. – 4:10 p.m. Welcome and Housekeeping Amanda Gmyrek, Ph.D. JBS International, Inc. (JBS) JSI/JBS Evaluation Technical Assistance Team 4:10 p.m. – 4:20 p.m. Need and Opportunities for Outcomes Evaluation and Research in Graduate Medical Education Frederick Chen, M.D., M.P.H. Director, WWAMI Family Medicine Residency Network Chief of Family Medicine, Harborview Medical Center Professor, Department of Family Medicine University of Washington 4:20 p.m. – 4:50 p.m. Applied Approach for Mixed Methods Evaluation in PCTE Settings Roberta E. Goldman, Ph.D. Anthropologist Clinical Professor of Family Medicine Warren Alpert Medical School of Brown University Director, Scholarly Development Program in the Family Medicine Residency Memorial Hospital of Rhode Island, Care New England Brown University Center for Primary Care and Prevention Director, Community Participatory Research Adjunct Professor of Social and Behavioral Sciences Harvard T.H. Chan School of Public Health	4:00 p.m. – 4:05 p.m.	Webinar Introduction from HRSA

Director, WWAMI Family Medicine Residency Network Chief of Family Medicine, Harborview Medical Center Professor, Department of Family Medicine University of Washington 4:20 p.m. – 4:50 p.m. Applied Approach for Mixed Methods Evaluation in PCTE Settings Roberta E. Goldman, Ph.D. Anthropologist Clinical Professor of Family Medicine Warren Alpert Medical School of Brown University Director, Scholarly Development Program in the Family Medicine Residency Memorial Hospital of Rhode Island, Care New England Brown University Center for Primary Care and Prevention Director, Community Participatory Research Adjunct Professor of Social and Behavioral Sciences Harvard T.H. Chan School of Public Health		Medical Education	
Director, WWAMI Family Medicine Residency Network Chief of Family Medicine, Harborview Medical Center Professor, Department of Family Medicine University of Washington 4:20 p.m. – 4:50 p.m. Applied Approach for Mixed Methods Evaluation in PCTE Settings Roberta E. Goldman, Ph.D. Anthropologist Clinical Professor of Family Medicine Warren Alpert Medical School of Brown University Director, Scholarly Development Program in the Family Medicine Residency Memorial Hospital of Rhode Island, Care New England Brown University Center for Primary Care and Prevention Director, Community Participatory Research Adjunct Professor of Social and Behavioral Sciences Harvard T.H. Chan School of Public Health		Frederick Chen, M.D., M.P.H.	
Chief of Family Medicine, Harborview Medical Center Professor, Department of Family Medicine University of Washington 4:20 p.m. – 4:50 p.m. Applied Approach for Mixed Methods Evaluation in PCTE Settings Roberta E. Goldman, Ph.D. Anthropologist Clinical Professor of Family Medicine Warren Alpert Medical School of Brown University Director, Scholarly Development Program in the Family Medicine Residency Memorial Hospital of Rhode Island, Care New England Brown University Center for Primary Care and Prevention Director, Community Participatory Research Adjunct Professor of Social and Behavioral Sciences Harvard T.H. Chan School of Public Health			
University of Washington 4:20 p.m. – 4:50 p.m. Applied Approach for Mixed Methods Evaluation in PCTE Settings Roberta E. Goldman, Ph.D. Anthropologist Clinical Professor of Family Medicine Warren Alpert Medical School of Brown University Director, Scholarly Development Program in the Family Medicine Residency Memorial Hospital of Rhode Island, Care New England Brown University Center for Primary Care and Prevention Director, Community Participatory Research Adjunct Professor of Social and Behavioral Sciences Harvard T.H. Chan School of Public Health		Chief of Family Medicine, Harborview Medical Center	
4:20 p.m. – 4:50 p.m. Applied Approach for Mixed Methods Evaluation in PCTE Settings Roberta E. Goldman, Ph.D. Anthropologist Clinical Professor of Family Medicine Warren Alpert Medical School of Brown University Director, Scholarly Development Program in the Family Medicine Residency Memorial Hospital of Rhode Island, Care New England Brown University Center for Primary Care and Prevention Director, Community Participatory Research Adjunct Professor of Social and Behavioral Sciences Harvard T.H. Chan School of Public Health		Professor, Department of Family Medicine	
Roberta E. Goldman, Ph.D. Anthropologist Clinical Professor of Family Medicine Warren Alpert Medical School of Brown University Director, Scholarly Development Program in the Family Medicine Residency Memorial Hospital of Rhode Island, Care New England Brown University Center for Primary Care and Prevention Director, Community Participatory Research Adjunct Professor of Social and Behavioral Sciences Harvard T.H. Chan School of Public Health		University of Washington	
Anthropologist Clinical Professor of Family Medicine Warren Alpert Medical School of Brown University Director, Scholarly Development Program in the Family Medicine Residency Memorial Hospital of Rhode Island, Care New England Brown University Center for Primary Care and Prevention Director, Community Participatory Research Adjunct Professor of Social and Behavioral Sciences Harvard T.H. Chan School of Public Health	4:20 p.m. – 4:50 p.m.	Applied Approach for Mixed Methods Evaluation in PCTE Settings	
Clinical Professor of Family Medicine Warren Alpert Medical School of Brown University Director, Scholarly Development Program in the Family Medicine Residency Memorial Hospital of Rhode Island, Care New England Brown University Center for Primary Care and Prevention Director, Community Participatory Research Adjunct Professor of Social and Behavioral Sciences Harvard T.H. Chan School of Public Health		Roberta E. Goldman, Ph.D.	
Warren Alpert Medical School of Brown University Director, Scholarly Development Program in the Family Medicine Residency Memorial Hospital of Rhode Island, Care New England Brown University Center for Primary Care and Prevention Director, Community Participatory Research Adjunct Professor of Social and Behavioral Sciences Harvard T.H. Chan School of Public Health		Anthropologist	
Director, Scholarly Development Program in the Family Medicine Residency Memorial Hospital of Rhode Island, Care New England Brown University Center for Primary Care and Prevention Director, Community Participatory Research Adjunct Professor of Social and Behavioral Sciences Harvard T.H. Chan School of Public Health		Clinical Professor of Family Medicine	
Memorial Hospital of Rhode Island, Care New England Brown University Center for Primary Care and Prevention Director, Community Participatory Research Adjunct Professor of Social and Behavioral Sciences Harvard T.H. Chan School of Public Health			
Brown University Center for Primary Care and Prevention Director, Community Participatory Research Adjunct Professor of Social and Behavioral Sciences Harvard T.H. Chan School of Public Health		Director, Scholarly Development Program in the Family Medicine Residency	
Director, Community Participatory Research Adjunct Professor of Social and Behavioral Sciences Harvard T.H. Chan School of Public Health		Memorial Hospital of Rhode Island, Care New England	
Adjunct Professor of Social and Behavioral Sciences Harvard T.H. Chan School of Public Health		Brown University Center for Primary Care and Prevention	
Harvard T.H. Chan School of Public Health		Director, Community Participatory Research	
		Adjunct Professor of Social and Behavioral Sciences	
4:50 p.m. – 5:00 p.m. Q&A Session		Harvard T.H. Chan School of Public Health	
	4:50 p.m. – 5:00 p.m.	Q&A Session
